

SB1211-6 LEWISBins+ - ORBIS

 orbiscorporation.com/en-us/products/lewisbins/shelf-bins/sb1211-6/

Description

LEWISBins+ Shelf Bin series consists of 4" and 6" tall plastic shelf bins, designed for 12", 18" and 24" depth shelving. These injection molded bins are designed to replace limited-use corrugated boxes for long term cost savings and are available in red, blue, yellow and green. LEWISBins+ Shelf Bins are fully nestable when empty for space savings and fully recyclable at the end of their shelf life.

Features

- Enhanced picking and inventory control – Orange Kanban width divider gives visual cue for replenishment, preventing stock-outs
- Raised hopper front allows up to 35% more material storage than comparable bins
- Full length divider locks into bin creating a second storage compartment
- Rolled rim design and molded-in rib structure ensures bin integrity, limits damage and prevents vacuum lock when nested
